Profile

UI/UX designer with experience in digital and graphic design. Currently studying Digital Design and Development at BCIT. Collaborative, feedback-driven, and focused on creating clear, user-friendly experiences. Motivated and passionate about UI/UX.

Projects

Solace UI/UX Designer

British Columbia Institute of Technology | Sept - Dec 2025

- * Collaborated in a team of 7, dividing tasks and iterating designs together and conducted user research to improve usability
- * Simplified UI for intuitive navigation and dark-mode accessibility, balancing features with clarity
- * Produced marketing brochure in InDesign to communicate app features

Professional Experience

Freelance Graphic Designer

- * Created posters, signage, and business cards aligning with brand and customer experience goals
- * Collaborated directly with clients to translate needs into design solutions

Assistant Manager

Much Toy Station | Feb 2024 - Jan 2025

- * Designed promotional materials and maintained social media/e-commerce presence
- * Handled customer orders, inquiries, and escalations while delivering strong service
